## AGREEMENT

APPLICANT, in consideration of being supplied by East Valley Water District with a temporary water service meter at the indicated location, agrees to pay for said service as bills are rendered, until the meter is returned and request to discontinue service is submitted. The applicant further agrees to abide by the TEMPORARY WATER SERVICE RULES AND REGULATIONS as specified by the Board of Directors. This contract at all times is subject to changes or modifications by the Board of Directors in the exercise of its jurisdiction. By completing and signing the application for temporary water service, the APPLICANT agrees to:

1. A refundable deposit of \$5,150 shall be paid at time of service by check or cash only.
2. The following rates apply: a) Initiation of Service Fee \$35 b) Monthly System Charge \$368.48 (3-inch meter) c) Water Consumption Rate \$4.10 per hundred cubic foot (HCF)
3. APPLICANT is responsible for bills, penalty fees and damage charges on the account.
4. The meter must be brought to the District Headquarters on the last business day of each month to be read by District personnel. If the hydrant meter is not available for the monthly reading as prescribed by the District, a supplementary fee of \$100 will be charged for each month the meter is not read. This fee is non-refundable and is in addition to any other charges. **INITIAL HERE** \_\_\_\_\_
5. Will not obtain water from any District facility without the use of the temporary service meter.
6. Use all possible care to prevent damage to the meter and other loaned facilities of the District which are involved in furnishing the temporary water service.
7. Install and operate the temporary water service meter in accordance with the District's instructions.
8. Return the temporary service meter within six months of issue unless granted an extension in writing by the District.
